

Carnwath Park - Transport Hub

One of the most important matters for our resort development is how it interacts with the outside world and facilitates the movement of people and vehicles - in this short 2 min. 45 sec. video we explain our ideas on how our “Main Entrance & Transport Hub” plans to deal with this issue. Thought has been given to avoiding vehicle build up on the A70, facilitating smooth logical flows of people and vehicles on-site and off-site, also enabling our resort to become a Scottish tourism and Golf Tourism hub.

- One-way Exit road from the resort
- One-way return road for electric shuttles
